

PLAY

AN EXTENSION OF YOUR OWN BACKYARD...

PROGRAM GUIDE

SEPTEMBER - DECEMBER 2022

OFFICE INFORMATION

A picture is worth a thousand words. Nothing is closer to the truth when you look at our front cover of this edition of PLAY. Our spring photo contest winner, Amy Kelley, was capturing memories when she snapped the photo of her son and father in Frontier Park.

We love seeing your photos and hearing your stories about trips to the park for a play date, family reunion, or a baseball game. Your photos and stories inspire us. They inspire new activities, improved amenities and how we can best serve our community.

I hope the community knows how hard each and every staff member works to create wonderful experiences for our visitors, where we talk about how to improve the visitor experience rather than how to make it easier on staff. And how much dedication our staff has to our visitors, and each other.

I also hope the community knows how much we rely on help. We have made wonderful partnerships with various groups throughout the years such as the Lion's Club who, 30 years ago, planned and developed the McNair Park Braille Trail, or the Boy Scouts who plan clean up days in the parks.

We hope you feel as supported as ever whether you're joining us as part of your fitness journey, attending a recreation program, or out enjoying our parks. Please share your photos, stories and memories with us, an Extension of Your Own Backyard!

PLAY IT FORWARD

GIVING TUESDAY IS NOVEMBER 29, 2022

Looking for a way to *Play it Forward*? Giving Tuesday is a global day of giving celebrated each year on the Tuesday following Thanksgiving that kick starts the charitable season. This year, make a difference in a child's life by donating to the St. Charles Parks and Recreation Foundation's Scholarship Program. These funds help assist St. Charles City residents who cannot financially afford recreational programs, camps or use of the aquatic facilities. Recreational programs and activities offer many benefits to a child's developmental growth and social skills and should be available for everyone to participate in. We believe your donation can help make this possible. Donations of any amount are accepted year-round and greatly appreciated. To learn more or to make a donation visit the St. Charles Parks and Recreation Foundation's website at: stcharlesparksfoundation.org/gift/other-donation

SPECIAL EVENTS

FAMILY CAMP OUT IN THE PARK

NEW EVENT - Roll out your sleeping bags and pop up your tents for this unique camping experience in Blanchette Park! You and your family will create some lasting memories at this first of its kind camp out event. Registration will include a campsite area for 1 tent, planned family fun activities, dinner, s'mores and breakfast. You'll also get reserved seating at the Screen on the Green movie in the park event that is happening the same night right by the designated campsite.

INSTRUCTOR SPOTLIGHT

SHANNA MYERS

Licensed MixxedFit Instructor

My name is Shanna and I am a MixxedFit dance cardio instructor. I discovered MixxedFit - a people-inspired fitness program that combines explosive dance movements with bodyweight toning - when I lived in Seattle, WA and fell in love with it. I have been doing it for over 5 years now, but when I moved to St. Charles, I discovered there were no classes available here. I wanted to share this class with people in the area, so I became a certified instructor. I have been teaching classes virtually for a while now but I am really looking forward to teaching with the St. Charles Parks and Recreation Department and dancing in person!

Time: 12:00P - 1:00P

Fee: \$20 per person Healthy lunch included.

Registration required.

KEEPING YOUR HEALTH ON TRACK

WITH THESE HELPFUL TIPS! Claire Goggins - SSM Dietitian

According to the CDC, more than 1 in 3 US adults have prediabetes but many people don't know they have it. Prediabetes is a condition that raises the risk for developing type 2 diabetes. With prediabetes, your body may be producing less insulin, your insulin sensitivity may be decreasing, or a combination of both. If left untreated, prediabetes may develop into type 2 diabetes. Individuals with prediabetes can slow the disease progression by following these tips:

- **Consume balanced meals** that contain lean protein, heart healthy fats, a variety of vegetables, whole grains and fruit. While all carbohydrate-containing foods affect your blood glucose levels, they also play an important role in your overall health by providing energy for your daily activities. You do not need to cut carbohydrates out of your diet if you have prediabetes or diabetes.
- **Eating meals at consistent times** can help with blood glucose control. Skipping meals frequently lowers your metabolism, making it harder to manage blood sugars and lose weight.
- **Aim for a small amount of weight loss.** You may be able to prevent or delay diabetes by losing 5 to 7 percent of your starting weight.
- **Exercise for at least 150 minutes per week.** Start by walking for 30 minutes a day, five days a week. The more regular activity you do, the quicker it will become a habit. Think of ways to link activity to daily life.

SSM CONNECTIONS

Making changes to your lifestyle and daily habits can be hard, but you don't have to change everything at once. It is okay to start small and remember that setbacks are normal, not a sign of failure, and the key is to get back on track as soon as you can.

PARK HIGHLIGHTS

As is natural in fall, changes this time of year often come with some reflection of the past, and some inspiration for the future. That means it's a great time to look back at some of the changes that have been made this year in the parks, as well as some of the future improvements we are working on for you to look forward to soon.

In spring of this year, park maintenance staff worked hard to construct a new party plaza patio at the Wapelhorst Aquatic Facility. The new improvements include an extended concrete patio area, 4 new rentable 20' x 12' shade shelters, and additional picnic tables, providing a nice oasis for a pool party rental. The new features were a huge hit during this past pool season and are sure to be popular next year too!

This year also brought additional changes to the Fox Hill Park playground. In June, the existing playground was replaced with new equipment and protective play surfacing. The renovations resolved issues with aging equipment and mixed play surfacing and also brought the previously 2 separated areas of the playground into a more cohesive play space. The new playground is now open and features a 5 seat swing bay, a 2-5 year old play structure, and a 5-12 year old play structure with multiple climbing components and 3 slides. Be sure to stop by and check it out!

As festival and event season winds down, we also wanted to highlight improvements that took place in Frontier Park, home to so many St. Charles area events and festivals. This year, improvements came in the form of updated restroom facilities in Frontier Park. The original restroom facilities have now been switched to more standard toilets, urinals, and sinks. These renovations will help continue to service the high volume of park visitors during events.

A somewhat unique offering in the St. Charles area, Cricket fields have seen growing popularity over recent years. The St. Charles Parks and Recreation

PARK HIGHLIGHTS

Department currently offers cricket players 2 fields to play on; one in the Ed Bales area of DuSable Park, and one at the St. Charles Soccer Complex. This year, improvements were made to the field at the St. Charles Soccer Complex including adding artificial turf surfacing on the pitch (the space between the wickets where the bowler and batsman are and most of the action occurs), and grading around the infield to improve drainage and play.

Lastly, as fall brings on the changing tree foliage, we are reminded of a project we are looking forward to in 2023. As part of the Department's continued commitment to healthy park trees and urban forests, we are working in partnership with the Missouri Department of Conservation to continue promoting tree care and education with a new feature. You may be aware of our online tree inventory, but if not, you can check it out by visiting our website. In 2023, we look to add a virtual Tree I.D. walk to compliment the inventory. The tree walk will be something visitors can look at from home, or pull up on a mobile device while in the park and go through a pre-designed tour of various tree species and learn some of their identifying characteristics. Stay tuned for more details on this cool new offering.

WELCOME TO THE TEAM

CHUCK AMBROSE

Oak Grove Cemetery Supervisor

Chuck Ambrose is the newest full-time member to join the St. Charles Parks and

Recreation Department's team. He began in May 2022 as the Cemetery Supervisor at Oak Grove Cemetery. He spent the past few years in the funeral and cemetery industry working at Elias, Kallal & Schaaf Funeral Home in Illinois. There he assisted autopsies and embalming and performed cremations and became familiar with cemetery operations like marking grave spaces and locating burial plots. He also worked at Rose Lawn Memory Garden where he operated an alkaline hydrolysis pet crematory and pet cemetery. Chuck enjoys spending his free time camping, hiking and kayaking with his children. He looks forward to applying his prior experience and knowledge to his current role and helping to make improvements to Oak Grove Cemetery. We are happy to have him join our team!

JOIN OUR TEAM - YOUR WORK MATTERS HERE!

We offer a variety of fun and flexible year-round positions with opportunities to work multiple roles for more hours. We hire 15 year olds to retirees, teachers on break and high school students. If you've called or come to our Administrative Offices in Blanchette Park, chances are you have met our two very hardworking and friendly front desk staff – Marissa Roskowske and Chelsey Summe.

For over 6 years Marissa has been one of the smiling faces that greets you at the Park Administrative Office. She is a true St. Charlesian, loves all things St. Charles and takes great pride in being able to offer assistance to residents. As a kid, she considered McNair Park her extended backyard sledding, swimming, walking and taking in nature and celebrating family milestones throughout it and other City parks. She started with us in May 2012 working in concessions, pools and as a youth sports instructor, gaining a wealth of knowledge along the way. She moved into the office in December 2015 and has been going above and beyond to serve our customers ever since. She knows many people who come in, either through a family member or a connection having grown up in the area, and is always eager to meet new people. In Marissa's words "How could I not love working for the St. Charles Parks and Recreation Department? I get to go to a beautiful park every day, connect with and give back to the community I adore, and quite literally hear and see people at all phases of life celebrating milestones... making memories and simply getting out there and living. It is a true blessing and honor to work with an amazing group of dedicated, passionate and hard-working people all for the City of St. Charles."

Chelsey is a bit newer to the office, starting in June 2021, but she jumped in with both feet and has become such an important part of the team that it feels like she has been here much longer. Like Marissa, she is friendly, welcoming and dedicated to serving our customers and helping them find the best way to enjoy everything the Parks and Recreation Department has to offer. Chelsey graduated from University of Missouri in 2015 with a major in social work and a minor in psychology. After working outside of St. Charles for a few years she returned and found her way to the Parks and Recreation Department. She loves spending her free time in nature, hiking and checking out parks all over Missouri, which makes this job a great fit for her. Chelsey says, "Being someone who loves the outdoors myself, I love that I get to work in a park every day and get to encourage others to visit our many parks and experience the beautiful nature that surrounds our City."

Say hello to Marissa and Chelsey if you find yourself in our Parks and Recreation Administrative Office. They would love to meet you!

SAFETY IN THE PARKS

While out and about in the parks, our Ranger Division would like to remind you of a few safety tips and rules for everyone to have the most enjoyable experience.

- Do not leave valuables inside your vehicle in plain sight. Properly secure your belongings or leave them at home.
- Carry your cell phone or have a buddy join you while exercising in the parks.
- Keeping your cell phone close cannot only save your life in an emergency, but also aid in saving the lives of others.
- Speed limit in ALL parks is 15 mph, be vigilant and watch for pedestrians.
- Dogs are required to be on a leash at all times and owners are responsible for removing pet waste.
- No motorized vehicles, including golf carts, on trails, sidewalks or grass
- Please be sure all fires within a barbecue pit are extinguished prior to leaving.
- Please be courteous to other park visitors by picking up your litter and avoiding disruptive behavior.

To report a suspicious person, activity or vehicle of concern, call the St. Charles Police/Ranger Dispatch at (636) 949-3300. We appreciate all eyes and ears within the parks and welcome comments. General inquiries can be made by calling the St. Charles Parks and Recreation Department's Administration Office at (636)949-3372. For immediate emergency response to report fire, medical emergency or a crime in progress, dial 9-1-1.

DID YOU KNOW?

In the early 1980's park patrons began requesting an increase in park security to help with the rise of vandalism and underage drinking. In 1984 the St. Charles Parks and Recreation Department's Ranger Division was formally created. In 1985 the first Chief Ranger was hired and in 1990 it received its ORI (Originating Agency Identifier) establishing the Ranger Division as a certified law enforcement agency. All Park Rangers are state certified peace officers that have obtained their Missouri POST Certification. The division is comprised of a full-time Chief Ranger, two full-time Sergeant Rangers and several part-time Rangers. You'll see them out and about patrolling the parks and working special events. They help keep our parks safe by enforcing the law while also engaging with the community to build strong relationships with our visitors. 38 years later, the St. Charles Ranger Division is a model of how they can create a positive impact upon parks.

MERIT BADGE PROGRAM

The St. Charles Parks and Recreation Department now has Merit Badge Counselors on staff. If your scout is looking to work on a specific merit badge contact us to see how we can help them. Our counselors are trained in several merit badge categories like aquatics, family life and natural resources. Program times, dates and activities are dependent on staff and facility availability. If you are a scout looking for service hours or need help with rank advancements, we can also help with that. For more information please contact us at info@stcharlesparks.com

DID YOU KNOW?

The Braille Trail turned 30 years old this year! This wonderful addition to McNair Park was made possible by the cooperation of the Lions Clubs International Foundation and the members of the St. Charles Lions Club in 1992 through fundraising and lots of sweat equity. The trail is approximately one-quarter mile long and has so many beautiful features that create a peaceful surrounding for guests to enjoy. Along the path you'll find several benches to rest, a pollinator garden, fountain, pond with a waterfall and a rentable gazebo. Keeping with the Lion's Club mission to strengthen communities, signs throughout provide information about the gardens in Braille and English.

Many improvements to the trail have been made over the past few years. In 2019, the wooden bridge was replaced with a fiberglass composite decking and metal railing. The gazebo was rehabbed with new beams and wood. The pond renovation was the latest update to the trail and was completed in May, 2022. Park Maintenance Staff safely removed the fish, drained the pond, removed built up sediment and debris from the basin and re-sealed it. Honeysuckle was removed and new plantings added giving the landscape a clean and manicured look. An extension was added to the mouth of the waterfall to help provide better aeration and water quality.

The trail is an excellent place for family photos, engagements, small weddings or just a nice stroll through the park. Next time you visit McNair Park, be sure to stop by and visit the Braille Trail.

PARKS FOUNDATION

ST. CHARLES PARKS AND RECREATION FOUNDATION

DEDICATED TO THE CONSERVATION, EDUCATION AND PRESERVATION OF OUR PARKS

The St. Charles Parks and Recreation Foundation was founded in 1984. This nonprofit organization supports the St. Charles Parks and Recreation Department through projects and endowment funds, capital improvements, park maintenance, land acquisition, beautification projects and scholarship funds for recreational programs and special events. Anyone can make a tax-deductible gift to the St. Charles Parks and Recreation Foundation. Gifts of any size are appreciated. There are several ways to give including the following:

- **Benches**
- **The Gift of Trees**
- **Playground Fence Posts at Jaycee Park's Discovery Playground**
- **Personalized Pavers at Forget-Me-Not Park**
- **Personalized Pavers in Frontier Park by the Lewis and Clark Monument**
- **Scholarship Program**

The Foundation also hosts special events that offer another way for you to show your support or contribute to their mission. Each year they hold a Bowling event in November and the Beer and Chicken Dance in January. Learn more about the St. Charles Parks and Recreation Foundation by visiting their website at: www.stcharlesparksfoundation.org

ADOPT-A-PARK PROGRAM

This program is designed to provide an opportunity for individuals, groups and businesses to show pride in their community by assisting Park staff with routine maintenance, clean up and beautification of parks, open spaces and trails. Tasks performed range from removing litter and debris, controlling weeds, caring for plants, mulching, raking leaves, identifying hazards, reporting vandalism and planting approved vegetation. An adoption sign with the person/group's name will be posted at the site adopted and will remain posted as long as the adopter is an active volunteer.

Become one of the first groups, businesses or individuals to Adopt-a-Park in the City of St. Charles.

VOLUNTEERING

VOLUNTEERS MAKE A DIFFERENCE!

Looking for a way to give back to your community? Opportunities to volunteer with the St. Charles Parks and Recreation Department are almost unlimited and are available for individuals, families, students, organized groups, co-workers... everyone!

Opportunities range from one-time events to ongoing programs. There are ways to serve for any age and ability. Help keep your community clean by volunteering for a park cleanup or help with a community service project like painting shelters and facilities or spreading mulch at playgrounds. Volunteering is a rewarding way to serve your city, meet new people, have fun and maybe even learn something new.

We are so appreciative to all the individuals and groups that have donated their time and efforts to help beautify our parks! If you are interested in learning more please visit our website.

CONNECTIONS

We strive to be known for our love of our community.

Carissa Figgins - Local Outreach Pastor

Harvester Christian Church recently concluded our most recent Give Hope campaign. Give Hope is a twice-a-year giving campaign that seeks to unleash a wave of hope in communities both locally and globally. Financial gifts from individuals, organizations, and communities go toward making a tangible difference in St. Charles County, the St. Louis region, and partners around the globe. Our goal with this campaign was to unleash our church family out into our cities. 100% of the Give Hope funds are tax-deductible and no administrative costs are subtracted.

In addition to the financial gifts, Harvester Christians were presented the challenge of serving in every corner of St. Charles County as well as in Ferguson. It's of extreme importance that our cities know and see that Harvester Christian is for them. We want to be known for doing good simply for goodness sake. We look for every opportunity to share love and resources with those around us. June 12-19 found Harvester Christians serving at a minimum of 10 locations around the region. Approximately 277 volunteers logged almost 645 hours completing service opportunities such as building free libraries for a local school, cleaning up landscaping at the Crisis Nursery in St. Charles, cleaning out a stream in O'Fallon, improving the outdoor classroom at the Boys and Girls Club, to painting at the Child Advocacy Center. Specifically for the City of St. Charles, volunteers spread over 100 cubic yards of mulch at Westwinds Park, Circle Drive Park, and the St. Charles Soccer Complex.

We are thankful to the City of St. Charles Park and Recreation Department allowing us the opportunity to serve in this capacity. Harvester Christian cares about the needs of those who live, work, play, and pray around us. We strive to be known for our love of our community.

DISCOVERY PLAYGROUND

JAYCEE PARK'S DISCOVERY PLAYGROUND - 2805 ELM STREET

Did you know this popular destination turns 10 this year? On October 5, 2012, the St. Charles Parks and Recreation Board along with its partners: Unlimited Play, Developmental Disability Resource Board of St. Charles County (DDRB) and the City of St. Charles proudly opened Discovery Playground at Jaycee Park. This accessible playground project was designed by SWT Design and All Inclusive Rec to have an "Adventure/Explorer" theme that utilizes the natural hillside of the park and includes the following features:

- 2-5 year old area that includes a custom 18 foot butterfly and hallowed log structure
- 5-12 year old area that is fully ramped and accessible
- Swing area with traditional, toddler, ADA accessible and dish swing
- Roller and metal slides for those with cochlear implants
- Accessible water play feature that resembles the Missouri bluffs with a water fall and two separate spray grounds
- Musical play features
- Rubber tile surfacing and ADA compliant restrooms
- Shade structure and pergola with chess tables
- Custom apple art piece/seating area at the entrance
- Connective pathways and trails

If you are a dreamer come in. - Shel Silverstein
